NOTES ON WHAT TO EXPECT AND WHAT TO BRING

- **Bug spray.** The Jacobs family is sensitive to bug repellent like OFF and Cutter. They use and recommend Avon Skin-So-Soft (this does work to keep bugs away). Also, in their experience, Citronella mixtures like "Burt's Bees" and other natural insect repellents work better than "OFF" or "Cutters".
- **Pillows & Blankets, etc.** If possible, bring pillows, blankets, towels, air mattresses, and/or sleeping bags.
- **Attire.** We understand that it may be hot during this event, but we ask that participants dress discreetly, respecting the differences between the sexes.
- **Internet / Tech Devices.** We ask that you refrain as much as possible from the use of internet and technological devices that would draw your attention away from the other participants at this event. This is a chance for "face" time with other Fairy Tale Novel Fans!
- **Talent Show / Skits / Dance / Premiere.** We encourage you to bring those items you will need to show-off your God-given talents for the talent show & skits – musical instruments, costumes, etc.
 - Suits/formal dresses (or as close as you can get) for the Movie Premiere
 - Dressy clothes that are reminiscent of anything in the Fairy Tale Novels for the Swing Dance
- **Meal Preparation & Clean-up.** Be prepared to volunteer for at least one meal preparation or clean-up time.
